

The 62nd Central Hospital Foundation Day was celebrated on April 16th at the hospital auditorium. Chief Guest Smt. Preeti Mishra, President-SERWWO, Guest of honor PCMD/SER attended the event including MD/CH/GRC, IRHS and all others doctors, ministerial staff, nursing staff and paramedical staff encouraged the performers. The dignitaries shared their thoughts and experiences about the hospital. A cultural program was organized, featuring performances by officials, nursing staff, and other staff members. The event showcased the talent and creativity of the hospital team. The highlight of the event was a ramp walk stage show by hospital officials and staff, which was a huge success. Overall, the foundation day celebration was a grand success. The event strengthened the bond among the hospital staff and marked another milestone in the hospital's journey.
