

# FIRE SAFETY WEEK

**Today's update (23.04.2025) :**

*A mock drill exercise on fire (needful actions like – switching off mains, spraying CO<sup>2</sup> gas / foam / water, evacuation of patients in a horizontal manner and opening of relevant doors and windows) was practiced in Central Hospital, S. E. Railway, Garden Reach, twice during the day to keep the fraternity in practice to face any such real-life eventuality. Nursing professionals together with paramedical staff, HKAs, attendants and security personnel were all part of this exercise under the guidance of Asst. Nursing Officers and the leadership of Dr. K. Sreekumar, Medical Director.*
