

Nurses Day 2025

The nursing fraternity of the Medical Department of S. E. Railway celebrated Nurses Day to commemorate the birth day of Florence Nightingale on 12th of May, 2025. The theme for this year "Our Nurses. Our Future. Caring for nurses strengthens economies" was discussed, elaborated and explained by several senior doctors and nurses in different places all over the Zone. The fact that the importance of a qualified, trained and super-efficient nurse helps in rendering state-of-the-art health care services with the ever increasing and modern modalities of treatment was discussed and disseminated at length at all places throughout the Zone. The nurses had taken their oaths with the lamps in their hand which is a display never to be missed. Cultural programmes hosted by Members of the Nursing fraternity to celebrate this occasion summed it up all.
