Divisional Traffic Training Center, Adra popularly known as DTTC , the undisputed leader in the field of training for grass roots level staff and producer of innovative Training aids has yet again proved that not only is their growth matchless, but it also keeps up with the changing needs of the training domain.

The new building of DTTC, Adra was inaugurated by the then COPS later Chairman, Railway Bd Mr. C.L.Caw, on the 20th May 1992 through remote control gadget .And DRM/ADRA Mr.Ajit Kishore is just behind him witnessing the function. Now, sprayed over 2.20 acres of land in South settlement of Adra division.

Since its inception in 1992, the Divisional Traffic Training Center(DTTC) has become synonymous with professional excellence and has achieved renown continuously evolving and reinventing itself to remain attuned to the changing training requirements.

The centre regularly conducts training for station and yard staff directly involved with train passing duties. These courses cover initial, refresher and promotional training of these staff and also include inputs on Health care, environmental management, fire-fighting and productivity oriented work ethics. In addition, a number of short duration courses on specific work areas are also conducted in order to constantly upgrade the skills and knowledge base of Traffic staff.

A number of innovative training methods and teaching aids have been evolved in-house by DTTC in order to optimize the training potential of the school. The DTTC has thus made a conscious effort to make training more and more interactive and participant friendly. It has the distinction of being the only divisional traffic training centre in South Eastern Railway to be recognized by Railway Board.
