दिनांक/ Dated: 23.06.2020

Safety Alert No: 06/2020

विषय/Sub: Safety of Recently Commissioned LHS sites and Formations in Monsoon season.

1. On 14.06.2020, train movement was disrupted on newly commissioned 3rd line between CKP - SWR section of CKP division due to settlement of CKP end approach of LHS no.181. The LHS approach had settled up to 60 - 65 mm due to loosening of ill - compacted sub grade soil under exposure of rains for more than a day. This LHS was launched on 23.12.2019, commissioned for road traffic on 19.02.2020 and train movement over the newly commissioned 3rd line was started on 13.06.2020 itself.
2. During 2019 - 20, total fifty (50) LHS/ ROB/ RUB have been launched/ commissioned over all four divisions. In view of ensuing monsoon season, division may get these LHS sites and newly commissioned formations inspected intensively/ frequently and take all possible precautionary measures to avoid unsafe condition at LHS sites and new formations on such account.

Action taken report in this regard may be sent to this office within 15 days.
