1. Appointment of Halt Contractors:

For appointing a halt contractor, the following guidelines must be followed:

- a. The halt contractor should be a permanent resident of the place where the halt station is opened. The residence should be treated as Local Residence if it is located within the same district in which the station is located.
- b. Minimum educational qualification should be at least 10th standard pass for new contractors (i.e. contractors engaged after 24.06.2005).
- c. A Selection Committee of Sr. Scale Officers from Commercial, Finance and Operating Departments shall scrutinize and shortlist the eligible offers. Selection will be by a draw of lots, drawn by any child if there is more than one suitable candidate. All the eligible candidates should be advised the date, time and venue of the draw through Courier/Regd. AD so that they may attend the draw if they so desire.
- d. The antecedents of the applicants shall be verified before their appointment as halt contractors.
- e. The halt contractor should produce a medical certificate showing that he is fit for the active service and free from any communicable diseases.
- f. The initial period of contract should be five years and thereafter fresh contracts should awarded after calling for fresh applications. After the expiry of the initial contract period of five years, the existing halt contractors may be given an extension for five years (Maximum contract period should not exceed 5+5=10 years). The extension should be in spells of two and a half years at a time subject to the halt contractor's working being satisfactory and Railways dues being paid in time. Those halt contractors who also maintain the infrastructure of the station at their own cost including provision of water, electricity etc. may be given another extension of five years i.e. total period of contract may be 10+5=15 years. Action should be taken well in advance to call for fresh applications before expiry of the contract. The existing halt contractors should also be eligible to apply.
- g. A security deposit of a minimum of Rs.2000/- will be charged from the halt contractors based on the approximate cost of equipment supplied to each halt agent and also to safeguard the interest of the Railways. The Railways may fix enhanced security deposit while renewing or awarding fresh contract at the existing halt stations on the basis of total sales of the latest year by adopting a graded system which should be finalized in consultation with divisional associate finance.

- h. Regarding regularization of halt contractors, facilities provided to halt contractors, etc., it is specified that halt agents are appointed after the Railway enters into a contract with the selected candidate. The appointment is purely contractual in nature and no facilities viz. absorption in railway service, regularization of service, bonus, railway pass facilities etc. shall accrue to the halt contractor.

2. Payment of commission.

Sales turnover in Rs.	Commission payable
1-15,000	15%
15,001- 50,000	12%
50,001 – 1,00,000	9%
1,00,001 – 2,00,000	6%
2,00,001 and above	3%

The minimum commission payable to the halt contractors would be Rs.1000/- per month for halts having stoppage upto 2 pairs of trains and Rs.1500/- per month for halts having stoppage of more than 2 pairs of trains.

If the sales turnover is Rs.3,00,000, the commission would be 15% of 15000 + 12% of 35000 + 9% of 50,000 + 6% of 1,00,000 = 2250+4200+4500+6000+3000=Rs.19,950/-.

3. Termination of Contract.

Either side may terminate the Agreement of the contract of Passenger halt by giving of notice of 3 months, without assigning any reasons.

4. Other Guidelines:

- I. Halt agents should be given additional responsibility of cleanliness of halt stations without till expiry of their current contract.
- II. To keep a check on malpractices, the working of halt agents should be reviewed annually. In case there is an abrupt fall in earnings and sale of tickets has also fallen sharply, the working of such halt agents should be put on watch to check whether the decrease has been due to malpractices/frauds etc. If it is found that the halt agent has been indulging in malpractices/frauds etc., suitable punitive action should be taken against such halt agents including termination of contract. A suitable termination clause should be incorporated in the Agreement entered into with the halt agents in case an occasion arises necessitating termination of contract before the contract period is over.
- III. In the Agreement, a clause may be introduced that change/amendment/modification made in the policy from time to time will automatically be applicable to the existing license holders without any further action on the part of the Railways.

5. Arbitration:

To resolve any dispute or claim of any kind or nature arising under or in connection with this agreement between the parties, according to the law of arbitration in the Division, the decision of the sole Arbitrator, i.e. Divisional Railway Manager/Kharagpur or the nominated person of DRM/Kharagpur shall be final.
