Sub: Revised Rate of A-la-Carte Rate of Static Catering Unit & MPS Stall.

Ref: Sr. DCM/RNC's office letter No. C/RNC/Catering/Menu Revision/23,dtd. 08.11.2023.

With reference to the proposal for revision of rate of A-la-carte items received from Ranchi Division, a committee was constituted to review the proposal at Headquarters level consisting of three JAG officers nominated by PHODs from Commercial, Accounts and Operating Department.

The said committee agreed upon considering the yearly index of food articles segment of WPI issued by the Economic Advisor/Dept. for Promotion of Industry and Internal Trade, Govt. of India as the yardstick taking 2011-12 as the base year.

As per the methodology indicated above, the exercise of rate revision has been executed by the Headquarters and the revised rates of 94 a-la-carte items attached as **Annexure" A"**. However, the items and tariff of standard menu notified by Railway Board will remain unchanged.

The revised rate will come in force with effect from 15.10.2024. All the licensees are to be directed to update the revised tariff on their menu and prominent bilingual display of the same on the catering units is to be ensured over this zone. This prominently displayed bilingual menu must include standard menu and tariff alongside A-la-carte. Sale of items outside the displayed menu is not permitted and violation of the same will attract punitive action. Issuance of computerised/manual bills containing name of licensee, items and tariff to every passenger is mandatory.

It is necessary to elevate the standard of cleanliness and hygiene for food handling. The food items should mandatorily be served in disposable and bio-degradable food grade casseroles. No other form of cooking on

platform other than through electronically operated equipment is permitted. For cooked/finished products from the menu being sold at catering units, the name and FSSAI number of the producer should mandatorily be mentioned on the package along with manufacturing and expiry date of the product, if sourced from outside; the weight of the items should also be mentioned. The invoice/challan of the producer, in cases of sourcing from outside, should mandatorily be available at the catering unit. Regular checks should be conducted and punitive actions should be imposed in case of any non-compliance, discrepancies and shortcomings.

This has the approval of PCCM.
