Dated 11.09.2023

CAO/FOIS
Camp: CRIS

New Delhi-21

Sub: Non-loading of full supplied rake. Forfeiture of Wagon Registration Fee.
Ref: (i) Chapter-II of Goods Tariff No.41 Pt.1, Vol.I and amendments thereto; and
(ii) Rates Circular No. 47 of 2004.

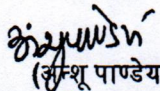

Please refer to CRIS/FOIS letter No.CAO/FOIS/104/RD/WRF/Pt-II dated 28.07.2023 enclosing CR's letter No.C.331.G.WRF.Policy dated 17.07.2023 about a technical issue in the system (TMS/FOIS) regarding forfeiture of partial Wagon Registration Fee in case of a trainload indent, where 34 wagons were loaded out of 50 wagons in the rake, but freight has been paid for all 50 wagons as per trainload rates. CRIS/FOIS has sought Board's guidance in this regard.

The matter has been examined. The relevant guidelines as prescribed vide Goods Tariff & Board's Circular under reference stipulates -

"2.0 (i) Whenever a rake is supplied against a trainload indent, the freight for entire rake on trainload class rate will be realized irrespective of the actual number of wagons loaded."

"2.0(iv) In case party fails to pay the freight as per above rules, the Railways reserve the rights to unload the consignment by engaging labour at the cost of the party, Wagon Registration Fees for all the wagons will be forfeited."

Thus, in the case where freight has been paid for the entire rake, irrespective of actual number of wagons loaded, forfeiture of Wagon Registration Fee is not applicable.
