(Commercial Circular No.63 of 2013)

Sub: Revision of Menu/tariff of catering services in Rajdhani/Shatabdi/Duronto
Express trains.

The Menu & tariff of catering services for Rajdhani/Shatabdi/Duronto express trains was last revised in the year 1999. Rajdhani/Shatabdi/Duronto Express trains are the prestigious premier trains of Indian Railway. Since 1999, the cost of raw materials used for catering services has increased manifold due to inflation etc. A review of menu and tariff has been done through committees set up by the Board to determine the norms for apportionment of catering charges in the fares of Rajdhani/Shatabdi/Duronto express trains. Accordingly, based on the committee's recommendations, Board has decided to revise the menu and tariff which are given as under. While the charges are revised, Board desires that the Railways should make perceptible and noticeable improvements in the standard and quality of on board catering services in keeping with the image of these trains. Thus concrete and mandatory steps along with the instructions to ensure that the services are upgraded are as under:-

- 1.1 Railways must ensure that with the revision of apportionment cost and rationalization of menu, services are upgraded by visible and appreciable improvement in quality of preparation, packaging and presentation.
- 1.2 Special emphasis should be given on the preparation of food in hygienic conditions and use of branded quality products. To ensure quality, only branded ingredients and products of reputed brands having pan-Indian visibility should be used. The consistency of Dal/Vegetables should be thick and not watery. Extra tea bags/coffee, sugar sachets and milk should be made available on demand to 1AC/EC passengers. This should be mentioned in the menu card.
- 1.3 Fixed 5 days cyclic menus as listed in Annexure-A is to be implemented so as to ensure variety of items in the menu. Seasonal variations in the 5 day cyclic menus may be undertaken every three months so as to include seasonal varieties of vegetable and fruits.
- 1.4 The concept of combo meal for Rajdhani/Duronto express trains has been introduced in place of regular second meal of the day where more than one meal services are provided. The third / following meal shall be the regular meal and the sequence of every alternate meal as combo meal shall be followed for the particular train. At one point of time only one type of meal will be served in the entire train.
- 1.5 Improvement in packaging with the use of high quality packaging material must be ensured. Packaging material should be of good reputed food grade and the manufacturing companies should conform to ISO specification. Plastic glasses are not to be used. Casseroles should be at least of 50 micron thickness and good reputed grade trays should be used. All meals served to 1AC/EC passengers should be on bone china or good quality crockery.
- 1.6 Food must be presented in most hygienic manner and all components of crockery, cutlery, napkins etc. as approved/ specified by the CCMs must be supplied. Preferably disposable hygienic food grade cutlery/crockery should be used. The old crockery/utensils/thermos flasks etc must be replaced by new ones periodically.

- 1.7 Zonal Railway should ensure that the requisite number of staff are provided on these trains. The pantry car staff must be in proper uniform and must display their name badge. The appearance of staff must be smart, clean and hygienic and they must carry valid medical certificates. Staff should be regularly sent for training with a view to improve their skills in customer care.
- 1.8 Good quality presentable new revised Menu Cards indicating detailed menus including weight of different items must be printed separately for the Executive/AC First classes and for other classes. The menu card should be supplied to the waiters who will present them to the passengers.
- 1.9 The detailed new revised menus should be printed in the tray mats while supplying the services to the passengers.
- 1.10 Railways must ensure conduct of regular inspections and surprise checks of the kitchens & pantry cars by deputing officers at various levels. Zonal railways must ensure that the kitchens are set up by the licensee on the railway premises as far as possible for better monitoring and supervision. If kitchens are outside the railway premises they should have the approval of the CCM.
- 1.11 As per Catering Policy 2010, ISO certification and third party audit along with passenger opinion feedback scheme need to be put in place. The third party quarterly audit should be done scientifically and in a transparent manner with regular periodicity by reputed independent agencies authorized/ prescribed by the railways along with regular in house audit.
- 1.12 Complaint/suggestion book on catering must be available in pantry cars and be provided to passengers on demand.
- 1.13 To ensure a visible improvement in catering services the hygienically packaged meals should be loaded on trains and be served on trains through trolleys. The licensee is encouraged to gradually provide personalized services and supply of meals through meal trolleys to all passengers travelling by Rajdhani/Shatabdi/Duronto exp. trains. The design of trolley should be approved by railway authorities keeping in view the facilities available in coaches to handle and stacking the trolleys.
2. Menu for each service is given in Annexure-A, which should be uniformly adopted by the Zonal Railways. Railways may, however, make adjustments in service according to the train timings wherever considered necessary and also evolve 5 days alternate menu with a view to provide a variety in service keeping the total cost within the fixed apportionment.
3. Newspaper and Rail Neer Packaged Drinking Water bottle are to be served to the passengers on board Shatabdi/Rajdhani/Duronto Express trains on complimentary basis and it will not be a part of apportionment cost for catering on board. One bottle of 1 litre Rail Neer Packaged Drinking Water and newspaper should be supplied to every passenger. In case passenger is travelling for more than 20hrs on Rajdhani/Duronto trains, a second bottle of Rail Neer Packaged Drinking Water should also be served to the passengers. In case of trains managed by licensees, Railway should make payment to the licensees for supplying newspaper and Rail Neer Packaged Drinking Water as the cost of these items are separately included in the fare. As regard the service of 500 ml/1000 ml Rail neer PDW bottle in Shatabdi express trains are concerned, instruction circulated vide Board's letter no. 2011/TG-III/631/4 dated 13.05.2013 may be followed. CCM may ensure the service of Rail Neer PDW bottle. In case of non availability of Rail Neer bottles, CCM may approve the other reputed brands of PDW for service. .
4. The catering charges for each pair of station on up and down direction should be calculated and notified for each Rajdhani/Shatabdi /Duronto Express trains by the concerned zonal railways in consultation with their associate finance. Since the catering charges are to be included on the basis of actual services rendered to the passengers there may difference in catering charges in some cases on up and down direction between same pair of stations due to variation in catering

services. It is advised that the actual charges of catering services as per the requirement of the journey of Rajdhani/Shatabdi/Duronto Express trains should be added to the basic fare and the amount so arrived will be rounded off to the next higher multiple of Rs.5/-. Payment of apportionment charges to the caterers should be made according to the actual services rendered to the passengers as per the following rates given below:-

(in Rs.)

6. Any applicable taxes which are notified by Government of India (Ministry of Finance, Deptt. of revenue notifications) or State Governments from time to time are to be collected by the zonal Railways from the passengers of Rajdhani/Shatabdi/Duronto trains in the ticket fare. The licensee is to be paid the taxes accordingly subject to proof of payment by the licensee to the concerned Government Authorities.
7. Guidelines regarding supply of sugar free meals to diabetic passengers on demand as per existing instruction issued vide Board's letter no. 2013/TG-III/631/2 dated 18.09.2013 must be ensured. CCMs may decide the diabetic menu within the prescribed catering charges notified for each service.
8. Guidelines regarding supply of meals for late running trains will continue to be followed by Railways as per existing instruction issued vide Board's letter No. 2009/TG-III/647/14 dated 12.12.2012.
9. Guidelines regarding supply of free food to the infants will continue to be followed by Railways as per existing instruction issued vide Board's letter No. 2002/TG-III/631/2 pt-1 CC 26/2002 dated 30.04.2002
10. Brands of catering items to be served/used for cooking in Rajdhani/Shatabdi/Duronto trains is as per Annexure-B.
11. In case of Shatabdi Express trains where there are no services prescribed for short distance passengers between two pair of stations, a cup of Tea/Coffee should be served to such passengers free of charge. To adjust the cost of Tea/Coffee, a glass of packaged drinking water (sealed) should be served to such passengers in place of 1 litre PDW Rail Neer bottle. However, the payment to the licensee/departmental catering will be made for 1 litre PDW Rail Neer bottle.
12. In 1AC/Executive class, personalized services are to be provided including choice of meals.
13. Sale of tea/coffee, aerated drinks in tins/bottles, juices in tetra pack, lassi, chhach, nimboos, etc. as per approved brands would be permitted for sale. This would be a new concept since presently, no sale of eatables has been permitted on Rajdhani/Shatabdi/Duronto trains. Zonal Railways should ensure that only tea/coffee, aerated drinks /juices/milk, lassi, chhach, nimboos, etc. are permitted for sale. No other packaged items are permitted for sale. CCMs of Zonal Railways should approve the items/brands for sale @ local/regular MRP. The license fee for sale of these items shall be @10% of the sale assessed. This license fee is to be collected separately from the licensees after ensuring realistic assessment of such sale as per the Catering Policy, 2010.
14. Railway should ensure that instructions contained in this letter are widely circulated to the field units/licensees and Railway should satisfy themselves about improvement made before disbursing the revised apportionment charges.
15. The revised menu and the apportionment cost will come into force w.e.f. 17.10.2013.
16. In the case of tickets already issued at pre-revised rates, it should be ensured that the difference in fares and other charges on or after 17.10.2013 is recovered by TTEs on the trains during the journey by passengers. In case of catering charges being reduced no refund shall be made by railways. Commercial inspectors and TIAs should visit all important stations and ensure that fares and other charges are levied and tickets issued as per the revised rates. Commercial officers should also make surprise checks at stations and ensure that the fares and other charges are levied with effect from 17.10.2013 at the revised rates.

- 17. This issues with the concurrence of Finance Directorate of Ministry of Railways.
Kindly acknowledged the Receipt of this letter.
